***Acceptance of all courses from Green River Community College and Tacoma Community College are subject to approval by the Washington State University faculty.**

GENERAL INFORMATION

This booklet was prepared for community college counselors to help them assist their students to more efficiently plan the program of study for the freshman and sophomore years. These programs are not absolute patterns, but rather guides to effective program development.

Programs have not been included for all areas of study because of the relative freedom in many lower division course patterns. Students following courses not included in this book should refer to the Washington State University general catalog to discover the most appropriate curriculum.

ADMISSION POLICY

Admission to Washington State University will be granted to transfer students whose records indicate a reasonable chance of success. A student must have a 2.00 (C average) to be considered for transfer. Those students with a 2.30 or better are in most cases assured admission. Admission of students with grade point averages between 2.00 and 2.30 will be determined by a thorough study of all available information. Factors most often considered are field of interest, quality of courses, improvement of grades during succeeding quarters, test scores and interviews.

Those students who have completed 24 or more semester hours of acceptable transfer work will be admitted on the basis of college work alone. All others must meet both high school and college admission requirements.

HOW TO APPLY FOR ADMISSION

Applications are accepted from February 1 to August 1 for the fall semester and from October 15 to January 15 for the spring semester. Necessary forms may be obtained at the registrar's office at the community college or from the Admissions Office at Washington State University.

Applications will be considered for provisional admission at the conclusion of the winter quarter for fall admission. As soon as all work is completed applicants must also file final official transcripts from all institutions attended. Students seeking admission for spring semester may file credentials at the end of the fall quarter.

Students will be sent a final notice of eligibility after all complete records have been received. At this time a $50 deposit will be requested and after payment of this deposit, an official evaluation will be made of all records. Students will receive a copy of the evaluation.

TRANSFER OF CREDITS

Since Washington State University is on the semester system and all of the community colleges in Washington are on the quarter system, credits will be changed by multiplying by two-thirds, i.e. ninety quarter hours will transfer as sixty semester hours. Only sixty semester hours plus physical education will transfer toward graduation. To graduate from Washington State University 120 semester hours are required plus the required physical education activity courses. If programs are planned carefully, students will neither lose credit nor time in transfer.

The Admissions Office evaluates the general university requirements. The records are then sent to the major department for evaluation of departmental courses. All other courses are given credit as unassigned hours toward graduation.

FORMER STUDENTS RETURNING

Former students planning to return to Washington State University should write for information to the Admissions Office, Washington State University.

HOUSING

Nearly ninety per cent of the students live on the campus in residence halls, fraternities and sororities, or in married student apartments.

Unmarried freshman men (under 21) and unmarried undergraduate women (under 21) must live in residence halls or organized group houses. Unmarried undergraduate women may live off campus provided they have completed ninety semester hours of academic work. Washington State University provides a limited number of housing units for married students. Assignments to such apartments are made in order of application. Application for either married housing or residence halls accommodations should be made at the earliest possible date. Please write to University Housing, Room 131, Rogers Hall, WSU, for married housing. For all other accommodations write to Director, Housing and Food Service, Room 11, Administration Building.

Students living in residence halls must pay a $25 security room deposit at the time of application for a room. Students planning to participate in sorority or fraternity rush should not submit the deposit. Transfer women students must have a 2.50 and men must have a 2.30 to participate in rush.

VISITATION PROGRAM

Each year a Washington State University representative visits each community college to talk to students who are planning a possible transfer to Washington State University. Many questions can be answered at that time, and it is advisable to inquire when Washington State University will be visiting at the community college.

Also, students are welcome to visit Washington State University at any time. It is best to make an appointment so that the necessary arrangements and appointments can be scheduled.

MILITARY TRAINING (ROTC)

Washington State University does not require military training. However, a student may enroll in ROTC in either his sophomore or junior year upon transfer. Detailed information may be obtained from either the Department of Military Science, Room 205, Johnson Hall, or the Department of Aerospace Studies, Room 183, Johnson Hall.

SCHOLARSHIPS AND LOANS

Transfer students may apply for undergraduate scholarships and loans. For information please write to Scholarships and Student Aids Committee, Room 102, Administration Annex. The deadline for a scholarship application is February 15.

FOR FURTHER INFORMATION

All other rules and regulations governing Washington State University students will be found in the General University catalog. For clarification of questions and for general information, please write to:

WASHINGTON STATE UNIVERSITY

GENERAL UNIVERSITY REQUIREMENTS

These are the General University requirements for graduation from Washington State University. On the following ten pages are listed the courses from each junior college which will be accepted in meeting these requirements upon transfer.

English Composition	**3 semester hours (This requirement may be met at all community colleges by completing English 101, 102, 103)**
Physical Education	**4 consecutive semesters, minimum 2 quarters different activity each school year, recommend 3 quarters.**
Humanities and Social Sciences	**12 semester hours to be chosen from the courses listed for each institution. At least 3 semester hours must be in humanities and 3 semester hours in social sciences. In the College of Sciences and Arts, the College of Education (Elementary Education), Industrial Arts, and the Department of Economics (including geography), the requirement is 21 semester hours of humanities and social sciences, of which at least 6 semester hours must be in humanities and 6 semester hours in social sciences.**
Sciences	**12 semester hours to be chosen from the courses listed. At least 3 semester hours must be in biological science and 3 semester hours must be in physical science. The requirement in the College of Sciences and Arts is 4 courses totaling 12 semester hours. All students must earn at least 2 semester hours credit for laboratory work. (One hour of lab credit is earned by spending 3 hours per week, for one semester, in the laboratory.)**
Foreign Language	**Students whose majors are in the Sciences and Arts or in Economics (including geography) and who have not completed 2 years of one language in high school must complete one year of a language in college.**

AGRICULTURE TRANSFER PROGRAM

The majors within the College of Agriculture are taken under the student's choice of one of three basic options--Technical Agriculture, Science Specialization, and Agricultural Business. Since under any of these options students are required to complete from forty-five to sixty semester hours of agriculture courses (and these come chiefly during the junior and senior years), students intending to transfer to WSU after spending one or two years at another institution should study the WSU catalog and give special attention to the courses normally completed during these first two years in order to be reasonably certain of being able to complete the degree program in the normal time thereafter.

Prospective transfer students are urged to correspond with the appropriate department chairman at WSU, or the Dean of the College of Agriculture, to obtain help if specific problems of scheduling arise.

Following are the minimum general requirements and the community college equivalents for all options as normally fulfilled during the freshman and sophomore years:

Footnotes:

*See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.

**Intended majors under the Technical Agriculture or the Agricultural Business Options, in any agricultural plant science, should take a full year (or two quarters) of botany; intended majors in any agricultural animal science should take a full year (or two quarters) of zoology. For the Science Specialization Option at WSU, physics, additional mathematics and biological sciences should be taken.

[1] Placement tests may warrant exemption from this course and the substitution of a free elective (recommend college algebra and trigonometry).

[2] Select courses to blend with schedule of studies for particular major in the WSU catalog.

[3] Normally all courses numbered 100-200 will be accepted for transfer and the following agriculture courses are acceptable for specific transfer credit at WSU: Centralia College, Ag. 101-108 inclusive and Ag. 203; Clark College, Ag. 101-105 and 203; Columbia Basin College, Ag. 101, 102, 115; Green River Community College, Ag. 101-104 and 201, 209; Skagit Valley College, Ag. 101, 102, 103, 105; Wenatchee Valley College, Ag. 101, 102, 105, 107, 108, 203, 204; Yakima Valley College, Ag. 101, 102, 103, 105, 106, 107, 108, 118, 151, 201, 202, 203, 204.

[4] Students wishing to transfer to the College of Agriculture at WSU may do so even though there are no agricultural course equivalents taught at the community college. Such students should give special attention to the completion of the other requirements listed.

BELLEVUE COMMUNITY COLLEGE

ARCHITECTURE TRANSFER PROGRAM

If the student is uncertain as to his choice of courses before transferring to Washington State University, he should write to the department for information and counsel.

The courses leading to a degree of Bachelor of Architecture that are accredited by the Association of Collegiate Schools of Architecture are five years in length. Our curriculum includes a four-year sequence in architectural design. This means that the student entering this department should plan to spend four years at Washington State University.

Students who find it advantageous to remain at a community college for two years should be advised that it will be necessary to spend four additional years at Washington State University to complete the five year degree program in architecture.

Footnotes:

***See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.**

[1] Students are advised to complete not less than two quarters of analytic geometry and calculus at the community college. If this is not possible, then they are advised to take Mathematics 207 at Washington State University during their sophomore year.

[2] This course may be taken at Washington State University during the sophomore year.

BIOLOGICAL SCIENCES TRANSFER PROGRAM

BACTERIOLOGY AND PUBLIC HEALTH, BOTANY, ENTOMOLOGY, ZOOLOGY, PREMEDICINE, PREDENTISTRY, OR WILDLIFE BIOLOGY

For students wishing to enter the fields of bacteriology and public health, botany, zoology, wildlife biology, entomology, zoophysiology, premedicine, or predentistry, the following course equivalents at Washington State University are indicated. The WSU catalog should be consulted for the exact requirements in each option. Specific scheduling problems should be referred to the Chairman of the Department concerned.

Premedical and predental students should plan to take basic science courses in both institutions in order to strengthen their chances of being admitted to professional schools. If a predental student expects to apply to a professional college at the end of three years of college work, it is recommended that he transfer to WSU at the end of one year of work in a community college. This will enable the predental adviser to instruct the student and to become better acquainted with him and with the quality of his work. This is necessary if the adviser is to render maximum assistance in placing the student in a professional school.

If the premedical or predental student anticipates taking a Bachelor of Science degree before applying to a professional school, two full years in a community college are quite satisfactory. The program is formulated with this plan in mind. It is also satisfactory for students who plan to take their Bachelor of Science degree in zoology at WSU.

Students planning to enter the fields of plant physiology, plant genetics, plant ecology and related areas should obtain an early concentration in the basic courses of chemistry, mathematics and physics.

Students majoring in bacteriology must have an elementary course in bacteriology during their first two years at the community college or they will find it necessary to remain at WSU for a longer length of time.

Footnotes:

*See pages 1-10 and the WSU Catalog for courses meeting the general university requirements for graduation.

[1] Not required if two years of one foreign language completed satisfactorily in high school.

[2] Bacteriology and Public Health majors are required to have only zoology. Botany may be substituted for zoology by students in the bacteriology option.

[3] Students in the Bacteriology option should take a 15 quarter hour series. Students transferring with only 10 quarter hours may find it necessary to enroll in Chemistry 241 at WSU.

One year of organic chemistry is required for predentistry and premedicine majors.

[4] Bacteriology and Public Health majors only.

[5] Zoology, predentistry, premedicine and wildlife biology majors are required to have one semester of analytical geometry and calculus.

[6] Recommended for botany majors.

[7] Students receiving a grade of "B" or better in the basic bacteriology course at the community college may substitute it for Bacteriology 201 at WSU. Required for Bacteriology and Public Health or Botany majors only.

BUSINESS ADMINISTRATION TRANSFER PROGRAM

It is understood that Business Administration is a professional field of training in which the community college will give only preprofessional training in economic principles, one year of work in accounting and business law. The following tabulation shows the courses which would normally be taken in the first two years at Washington State University and indicates the acceptable equivalents at the community college.

*See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.

[1] Not open to freshmen.

[2] Exact courses are not specified. Generally speaking, students with only two years of high school mathematics will fulfill the requirements primarily through courses in algebra. Students with better high school preparation should be encouraged to complete one course in calculus. Questions involving specific students should be referred to the department chairman.

ECONOMICS TRANSFER PROGRAM

The courses listed are those which a student transferring to Washington State University should normally have completed within the first two years. If he transfers at the end of the first year, a student should have made appropriate progress on his schedule of courses.

Footnotes:

*** See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.**

[1] Not open to freshmen.

[2] The mathematics requirements imply that if a student has sufficient mathematical background to be excused from intermediate algebra on the basis of the mathematics placement test score he would be in a position to select a free elective. Economics majors are advised to take as much mathematics as is practicable.

EDUCATION TRANSFER PROGRAM

Students planning to transfer to Washington State University to complete requirements to teach should check carefully the WSU catalog regarding available programs and subject matter requirements for teaching majors and minors. Programs will vary from student to student, but a certain core of preprofessional courses should be included in the community college program.

Footnotes:

* See pages 1-10 and the WSU Catalog for courses meeting the general university requirements. Those preparing for junior and senior high school teaching must meet general university requirements of their teaching major subject matter department.

[1] See the 1966-68 WSU Catalog for descriptions of acceptable teaching majors and minors. In most cases, junior and senior high school teacher training requires a 30-semester-hour majors and a 15-semester-hour minor. There are a few 45-semester-hour majors with no minor required. Students preparing to teach at the elementary level will be required to complete a 30-semester-hour subject matter major in an acceptable field.

[2] Recommended for elementary majors only.

ENGINEERING TRANSFER PROGRAM

If the student is uncertain as to his choice of courses before transferring to Washington State University, he should write to the department concerned for information and counsel.

It should be noted that Mathematics 101 (the equivalent of the conventional third semester of high school algebra) is considered as required preparatory work and cannot be counted for credit toward an engineering degree. Footnotes one and two should be carefully read by all students.

The attention of transfer students is called to the special requirements of certain departments as follows:

Chemical engineering transfer students should be particularly well grounded in beginning chemistry work. Special emphasis on chemistry preparation is also observed in physical and extractive metallurgy and mining.

Civil engineering at Washington State University requires advanced surveying courses which are given only at Summer Survey Camp and are normally taken between the sophomore and junior years.

Electrical engineering requires three professional courses (E. E. 231, 261, 262, or their equivalents) in the sophomore year as a prerequisite for the junior courses required in that curriculum.

Engineering students wishing to finish the degree program in the minimum length of time should plan to transfer at the end of the freshman year and should follow the first year schedule. Students who find it advantageous to remain at the community college two years should be advised that it may very likely take more than two years at WSU to complete the degree program.

Footnotes:

* See pages 1-10 and the WSU Catalog for courses meeting general university requirements.

[1] If analytic geometry and calculus are taught at the community college in a three-course sequence, students are advised to complete not less than two courses prior to transfer, since if only one of the courses is completed, the student will find it necessary to begin in Mathematics 207 at WSU thereby repeating material already studied and losing some transfer credit.

If analytic geometry and calculus are taught in a four-course sequence the student should complete either two or all four courses prior to transfer. The first two are equivalent to Mathematics 207 at WSU and the last two are equivalent to Mathematics 208.

If taught in a five-course sequence, the student should complete either two or all five courses prior to transfer. The first two are equivalent to Mathematics 207 at WSU and the last three are equivalent to Mathematics 208.

[2] Required only in mining engineering.

3 Civil engineers should take a basic microbiology (bacteriology) course as the biological science elective.

FORESTRY AND/OR RANGE MANAGEMENT TRANSFER PROGRAM

The following lists include freshman and sophomore courses for forestry and range management students and their equivalent at the community college. Specific scheduling problems should be referred to the Chairman of the Department of Forestry.

Students should take two quarters of Dendrology if offered at the community college.

Footnotes:

*** See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.**

[1] Not open to freshmen.

[2] Range management only.

[3] Forestry only.

[4] Initial placement in a math course will depend upon placement examinations. All students are required to complete college algebra and trigonometry.

BELLEVUE COMMUNITY COLLEGE

HOME ECONOMICS TRANSFER PROGRAM

Below are freshman and sophomore courses normally completed at Washington State University by home economics majors and the community college equivalents. The WSU catalog should be consulted for exact requirements in the various major programs available. Students with specific scheduling problems should correspond with the department chairman or the Dean of the College of Home Economics.

Footnotes:

*See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.

[1] Not open to freshmen.

[2] Students planning to major in Home Economics Education may follow the A or B Programs. In the A Program three semesters of chemistry are required in addition to physiology and bacteriology (or home nursing). In the B Program no chemistry is required. For those students planning to major in Child Development, Interior Design, or Clothing, chemistry is not required. Both A and B programs lead to the Bachelor of Science degree and qualify the student for the vocational certificate.

HUMANITIES TRANSFER PROGRAM

COMMUNICATIONS, ENGLISH, FINE ARTS, FOREIGN LANGUAGE, MUSIC, PHILOSOPHY, SPEECH

For students wishing to enter the fields of communications, English, fine arts, foreign language, music, philosophy, or speech, the following course equivalents for the freshman and sophomore years at Washington State University are indicated below. If the student is uncertain as to his choice of courses before transferring, he should write to the department concerned for information and counsel.

Footnotes:

*See pages 1-10 and the WSU catalog for those courses meeting the general university requirements.

[1] Not required if two years of one foreign language completed satisfactorily in high school.

BELLEVUE COMMUNITY COLLEGE

Washington State University	S.H.	Bellevue Community College	Q.H.

OFFICE ADMINISTRATION TRANSFER PROGRAM

The following schedule of studies for the freshman and sophomore years for office administration majors assumes no previous instruction in secretarial subjects. Generally, students with one or two semesters of high school typing should enroll in Office Administration 102 at WSU; those with three or four semesters should enroll in Office Administration 203. Students with two or three semesters of high school shorthand should enroll in Office Administration 206 and 209; those with four semesters should enroll in Office Administration 208 and 210. Specific problems should be referred to the Chairman of the Department of Office Administration.

Footnotes:

***See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.**

[1] Not open to Freshmen.

[2] Office Administration education majors only.

TRANSFER PROGRAM FOR PHYSICAL EDUCATION, RECREATION, AND PRE-PHYSICAL THERAPY FOR MEN AND WOMEN

For students wishing to enter the fields of physical education, recreation or prephysical therapy (men and women), the following course equivalents at Washington State University are indicated. The Washington State University catalog should be consulted for exact requirements in each option. Students with specific scheduling problems should correspond with the department chairman.

Footnotes:

*** See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.**

[1] Prephysical therapy majors should complete one full year of inorganic chemistry, one full year of general zoology, and one course in general physics prior to transfer. These should be completed in addition to human physiology.

[2] The following P. E. professional courses should not be taken at the community colleges: Centralia College, P. E. 176; Everett Junior College, P. E. 190; Grays Harbor College, P.E. 170, 181; Skagit Valley College, P. E. 182, 230.

PHYSICAL SCIENCES TRANSFER PROGRAM

CHEMISTRY, GEOLOGY, MATHEMATICS AND PHYSICS

For students wishing to enter the field of chemistry, geology, mathematics or physics, the following course equivalents for the freshman and sophomore years at Washington State University are indicated below. If the student is uncertain as to his choice of courses before transferring, he should write to the department concerned for information and counsel.

Footnotes:

***See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.**

[1] Mathematics majors are required to complete at least one and a half years of study in either German, French, or Russian.

Chemistry majors are required to study German for at least one and a half years.

Geology and Physics majors are required to have only one year of a foreign language unless they have completed two years of one foreign language in high school.

[2] Not required for mathematics majors.

[3] Mathematics and Geology majors may substitute general physics for the engineering physics.

[4] Geology majors are only required to take mathematics through analytical geometry.

[5] Geology majors only.

BELLEVUE COMMUNITY COLLEGE

Washington State University	S.H.	Bellevue Community College	Q.H.
English 101	3	English 101, 102, 103	9
[1]Foreign Language	12-16	[1]Foreign Language	18-24
Mathematics 107	5	Mathematics 104, 105	8
[4]Mathematics 207, 208	10	[4]Mathematics 124, 125, 126	15
[2]Chemistry 105, 106	10	[2]Chemistry 140, 150, 160, 201	20
[3]Physics 201, 202	8	[3]Physics 111, 112, 113	13
*Biological Science Elective	3	*Biological Science Elective	5
*Social Science Elective	3-6	*Social Science Elective	5-9
*Humanities Elective	3-6	*Humanities Elective	5-9
[5]Geology 101, 250	8	[5]Geology 101 (no equivalent to Geology 250)	5
P.E. (one activity each semester)		P.E. (one activity each quarter)	
[a]Additional courses for Chemistry majors:			
Chemistry 221	4	Chemistry 202	5
Chemistry 241	5	Chemistry 231, 232	10
Chemistry 242, 243	5	No Equivalent	--

BIG BEND COMMUNITY COLLEGE

Washington State University	S.H.	Big Bend Community College	Q.H.
English 101	3	English 101, 102, 103	9
[1]Foreign Language	12-16	[1]Foreign Language	18-24

[2]Chemistry 105, 106	10	[2]Chemistry 101, 102, 113 or 111, 112, 113	15
[3]Physics 201, 202	8	[3]Physics 201, 202, 203	15
*Biological Science Elective	3	*Biological Science Elective	5
*Social Science Elective	3-6	*Social Science Elective	5-9
*Humanities Elective	3-6	*Humanities Elective	5-9
[5]Geology 101, 250	8	[5]No Equivalents	--
P. E. (one activity each semester)		P. E. (one activity each quarter)	
[a]Additional courses for Chemistry majors:			
Chemistry 221	4	Chemistry 251	5
Chemistry 241, 242, 243	10	Chemistry 255, 256, 257	15

CENTRALIA COLLEGE

Washington State University	S.H.	Centralia College	Q.H.
English 101	3	English 101, 102, 103	9
[1]Foreign Language	12-16	[1]Foreign Language	18-24
Mathematics 107	5	Mathematics 111, 112	10
[4]Mathematics 207, 208	10	[4]Mathematics 123, 124, 201	15
[2]Chemistry 105, 106	10	[2]Chemistry 140, 141, 150, 151, 160, 170	15
[3]Physics 201, 202	8	[3]Physics 201, 202, 203	15
*Biological Science Elective	3	*Biological Science Elective	5
*Social Science Elective	3-6	*Social Science Elective	5-9
*Humanities Elective	3-6	*Humanities Elective	5-9
[5]Geology 101	4	[5]Geology 101	5
P. E. (one activity each semester)		P. E. (one activity each quarter)	
[a]Additional courses for Chemistry majors:			
Chemistry 221	4	Chemistry 215	5
Chemistry 241	5	Chemistry 231, 232	10
Chemistry 242, 243	5	No Equivalent	--

CLARK COLLEGE

Washington State University	S.H.	Clark College	Q.H.
English 101	3	English 101, 102, 103	9
[1]Foreign Language	12-16	[1]Foreign Language	18-24
Mathematics 107	5	Mathematics 111, 112	10
[4]Mathematics 207, 208	10	[4]Mathematics 113, 211, 212, 213	20
[2]Chemistry 105, 106	10	[2]Chemistry 101, 102, 103	15
[3]Physics 201, 202	8	[3]Physics 201, 202, 203	15
*Biological Science Elective	3	*Biological Science Elective	5
*Social Science Elective	3-6	*Social Science Elective	5-9
*Humanities Elective	3-6	*Humanities Elective	5-9
[5]Geology 101	4	[5]Geology 101	5
P. E. (one activity each semester)		P. E. (one activity each quarter)	
[a]Additional courses for Chemistry majors:			
Chemistry 221	4	Chemistry 221	5
Chemistry 241, 242, 243	10	Chemistry 211, 212, 213	15

COLUMBIA BASIN COLLEGE

Washington State University	S.H.	Columbia Basin College	Q.H.
English 101	3	English 101, 102, 103	9
[1]Foreign Language	12-16	[1]Foreign Language	18-24
Mathematics 107	5	Mathematics 104, 105	10
[4]Mathematics 207, 208	10	[4]Mathematics 153, 251, 252, 253	18
[2]Chemistry 105, 106	10	[2]Chemistry 111, 112, 113	15
[3]Physics 201, 202	8	[3]Physics 201, 202, 203	15
*Biological Science Elective	3	*Biological Science Elective	5
*Social Science Elective	3-6	*Social Science Elective	5-9
*Humanities Elective	3-6	*Humanities Elective	5-9
[5]Geology 101, 250	8	[5]Geology 101, 103	10
P. E. (one activity each semester)		P. E. (one activity each quarter)	
[a]Additional courses for Chemistry majors:			
Chemistry 221	4	Chemistry 253	5
Chemistry 241, 242, 243	10	Chemistry 255, 256, 257	15

EVERETT JUNIOR COLLEGE

Washington State University	S.H.	Everett Junior College	Q.H.
English 101	3	English 101, 102, 103	9
[1]Foreign Language	12-16	[1]Foreign Language	18-24
Mathematics 107	5	Mathematics 150, 151	10

POLICE SCIENCE AND ADMINISTRATION TRANSFER PROGRAM

For students wishing to spend one or two years at the community college prior to entering the Department of Police Science and Administration at WSU, the following course equivalents are listed. By following the schedule as closely as possible while at the community college and taking more than one police science course each semester at WSU, the student will be able to complete the four-year degree curriculum on schedule.

Students with specific problems of scheduling should correspond with the department chairman for assistance.

Footnotes:

*** See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.**

[1] Not required if two years of one foreign language completed satisfactorily in high school.

PRE-PHARMACY TRANSFER PROGRAM

The pharmacy curriculum is divided into one preprofessional year and four professional years. To be eligible for admission to the professional years in the College of Pharmacy, a student must have successfully completed the courses listed in the prepharmacy year, or their equivalents, and have at least a 2.00 grade average. Also, the grade average made in the biological and physical science and mathematics courses must be at least 2.00. A transfer student must present at least thirty (30) semester hours or forty-five (45) quarter hours of acceptable credit.

Students planning to transfer to the WSU College of Pharmacy are expected to arrange for an interview with a representative of the College selected by the Dean.

Students with specific problems of scheduling should be urged to correspond with the Dean of the College of Pharmacy.

In exceptional cases students with superior records may transfer into the pharmacy program at the beginning of the second professional year if all of the non-professional courses in the second year as well as those in the prepharmacy year have been satisfactorily completed and the over-all grade point average meets the same requirements as established for the preprofessional year. Arrangements may be made to make up the work required in the professional courses ordinarily taken in the first professional year. Such a transfer student must present at least sixty (60) semester hours or ninety (90) quarter hours of acceptable credit.

Footnotes:

* See pages 1-10 and the WSU Catalog for courses meeting the general university requirements.

**Organic chemistry is extremely important to later study in pharmacy. A minimum of 10 semester hours or 15 quarter hours is required. Students planning to remain two years at the community college and who are unable to obtain 15 quarter hours of organic chemistry should correepond with the Dean of the College of Pharmacy.

[1] Students receiving above average grades in two quarters of Biology will be able to substitute these courses for Botany 101 and Zoology 101. It is recommended, however, that the student take a quarter of Botany and Zoology.

PRE-VETERINARY MEDICINE TRANSFER PROGRAM

At least six years and one summer session are required to obtain a degree in veterinary medicine. The first two years of pre-professional study can be taken at any institution having courses equivalent to those taught at Washington State University. The last four years are professional study and are conducted by the College of Veterinary Medicine.

Applicants for admission to the College of Veterinary Medicine should present at least sixty semester hours of acceptable credit from a recognized college or university, exclusive of military science and physical education. The sixty semester hours in the following program should include courses that will meet the general university requirements for graduation from Washington State University.

	S. H.
Electives in Social Science and Humanities (not less than 3 hours in each field) . . . . To be selected from the list of General University Requirements	12
English Composition	3
Physical and Biological Sciences . . . . Preferential consideration will be given to applicants who have completed courses as indicated in each of the following: Zoology: Including principles of cytology, evolution, ecology, and genetics. Chemistry: Including organic (with laboratory). Physics: Including electricity, optics and sound. Mathematics: College level algebra and trigonometry, or equivalent.	21-31
Electives . . . . Recommended: Advanced writing, business administration, public speaking, animal breeding and production, general or agricultural economics and additional courses in the physical and biological sciences.	14-24
Total Hours Required	60

*See pages 1-10 and the Washington State University Catalog for courses meeting the general university requirements.

SOCIAL SCIENCES TRANSFER PROGRAM

ANTHROPOLOGY, HISTORY, POLITICAL SCIENCE, PRELAW, PSYCHOLOGY, AND SOCIOLOGY

For students wishing to enter the field of anthropology, history, political science, prelaw, psychology or sociology, the following course equivalents for the freshman and sophomore years at Washington State University are indicated below. If the student is uncertain as to his choice of courses before transferring, he should write to the department concerned for information and counsel.

Footnotes:

***See pages 1-10 and the WSU Catalog for those courses meeting the general university requirements. Students will fulfill many of their general university requirements by taking the additional courses listed for each major.**

[1] Not required if two years of one foreign language completed satisfactorily in high school.

BELLEVUE COMMUNITY COLLEGE

Washington State University	S.H.	Bellevue Community College	Q.H.
English 101	3	English 101, 102, 103	9
Psychology 101	3	Psychology 100	5
Sociology 101	3	Sociology 110	5
*Humanities Elective	3-9	*Humanities Elective	5-14
*Social Science Elective	3-9	*Social Science Elective	5-14
*Biological Science Elective	3-6	*Biological Science Elective	5-9
*Physical Science Elective	3-6	*Physical Science Elective	5-9
